REMARKS

The Applicants have amended Claims 12 through 16 to more clearly claim the inventive features of their invention. Support of the amendment to Claims 12 through 16 appears in the original claims as well as in the "Detailed Description" section of the specification. The Applicants have also added new Claims 19 and 20. Support for the new Claims 19 and 20 appears in the original Claim 12, as well as in the "Detailed Description" section of the specification.

CONCLUSION

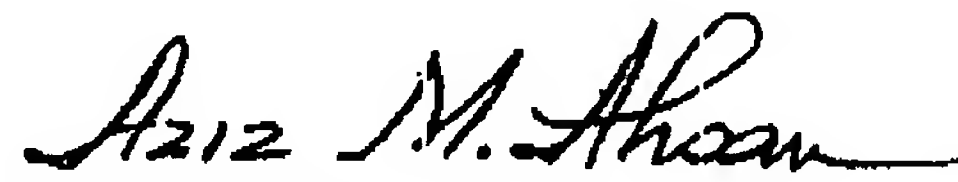

It is therefore respectfully submitted that Claims 1-18, as amended, along with the new Claims 19 and 20, are now all allowable. An early and favorable action on the merits is earnestly solicited.

The Examiner is also invited to contact the undersigned attorney if any communication is believed to be helpful in advancing the examination of the present application.

Respectfully submitted,

Dated: February 12, 2007
